Dear Samantha Owen,

Thank you for all your help so far.

Please find attached my formal objection to the outline planning application 55318/001 for the proposed development at Land west of Beechlands Road, South Medstead, Alton. I have no choice but to submit my objections in piecemeal form due to the extensive nature of the application documents submitted by the developers, which total 2,326 pages across both applications.

If the developers argue their case on the basis of Paragraph 11 of the NPPF, then I urge the planning authority to consider these points and require a full planning application that provides comprehensive details and assessments.

Thank you for your attention to this matter. I look forward to your response.

Best regards,
